**2022 Conference  
Preview**

*INDEPENDENT  
TEAMS*

The Milwaukee Panthers are coming off a Great Lakes Conference Championship game berth in 2021, they will spend the 2022 season as Independents. With the 4 berth of the NCFB Playoffs going to the highest non-conference champion in the NCFB Power Rankings, UWM will have a great opportunity to build upon last season's success and secure a playoff berth. Alumnus Michael Schwahn returns as the Head Coach of the program, and they return 18 players, including team captains Jose Ramos, Lou Stephensen, and Tarek Schraith. Milwaukee will lean on returning defenders LB Max Brown and DB Nathan Bruno to hold things down as their offense gets on track. Milwaukee has compiled a great independent schedule, if they finish the regular season undefeated as they did in 2021, they will have a great shot at the NCFB playoffs
