Family, Friends, and Fans of the NCFA,

Welcome to Wiley Stadium on the beautiful campus of Waynesburg University in Waynesburg, Pennsylvania. We are excited to have you join us for the 10th Annual NCFA National Championship Bowl Game. For ten years now, student athletes from colleges and universities across the country have competed for the chance to win the NCFA National Title. This small town in southwestern Pennsylvania offers a good look into a community that prospers on serving others, which allowed the NCFA to bring the 2022 National Championship game to fruition.

For those of you who are new to the concept of collegiate club football, the program allows students the opportunity to continue playing competitively after high school. The beauty of club football is that each organization is student-run. Scheduling, planning, equipment purchasing, fundraising and the rest of the off-field management falls directly upon the shoulders of the elected student-officers. When young, motivated, college students put forth the required effort to run a successful club football program just for the opportunity to continue playing, what you end up with are quality ball-players. By that we mean those who play for the sheer excitement of the game. They play for themselves and the love of the game. For these reasons alone, each one of these athletes is already a champion. Take the time to congratulate them on the hard work they have put forward to give their club football program a chance to compete for the National Championship.

I would like to extend my appreciation to the members of the Waynesburg University Athletic Department, The Game Headwear, Wilson Sporting Goods, FundRazr, the Microtel, and the Quality Inn for all of their efforts to make this Bowl Game a success. Without their support and enthusiasm, this event would not have been possible. I would also like to thank you, the families and fans, for coming and supporting Collegiate Club Football all across the United States. We look forward to the continued growth within our organization and as the NCFA continues to develop, we hope that your interest will too. Thank you again for coming to the stadium. I'm sure you'll enjoy all of the action.

Sincerely,

Sandy Sanderson
President—NCFA
