Breaking: Tytan Athletics Becomes the Official Uniform Provider of the NCFA

Pittsburgh, PA -- CollClubSports is excited to announce that Tytan Athletics is now the Official Uniform Provider of the NCFA! This partnership provides opportunities for all NCFA member teams to receive high quality uniforms at exclusive pricing. Tytan Athletics, a Utah based company, has made uniforms since 2015 for many different sports including basketball, rugby, football, & volleyball.

Tytan Athletics offers a uniform builder on their website which gives you the ability to see your potential design before purchasing. All uniforms ordered will feature the NCFA logo on all jersey tops free of charge. Tytan offers everything from individual jersey tops to full sets with pants included. They also offer other items such as apparel & training gear. All orders will be sold to NCFA teams at an exclusive member discount.

“We’re extremely excited to get Tytan involved with our NCFA League as they’ve been a hit with our NCBBA (Club Basketball) League. I really think our NCFA teams are going to get a lot out of this partnership,” said CollClubSports Vice President of Marketing, Eric Curitore. “Our teams will have the opportunity to

take advantage of all their high quality uniforms at exclusive NCFA pricing. With Tytan Athletics having a large array of customizable options to offer, NCFA teams should be very excited!”

“We’re truly honored to be the official partner of NCFA. We work hard to create fast lead times with on-time delivery for your team. Each of our jerseys are 100% Fully Customizable and are made from the highest quality fabrics, ensuring your team will have the most comfortable fit while being completely durable and long-lasting.” -Tytan Athletics
